

CORRIGENDUM AND ADDENDUM TO TENDER DOCUMENT

Dated: 01st January 2026

Tender Title: Implementation of RFID System in NIA Library.

Tender No.: NIA/Library/25-26/01

Date of Issue: 19-12-2025

Subject: Corrigendum-and-Addendum to RFID Tender Document

This is to inform all prospective bidders that the following clarifications and additions are issued to the above-mentioned tender document. All other terms and conditions of the tender shall remain unchanged.

Clarifications / Amendments

1. KIOSK Authentication Requirement (Item No. 4: Self Check Out Kiosk Station with Barcode/ Biometric/Facial Detection)

It is hereby clarified that the Academy requires Facial recognition as well as Smart Card based authentication for the KIOSK. No thumb impression is required at present. However, the proposed product should be technically capable of future upgradation, if required.

2. Product Demonstration / Presentation

It is further clarified that after the opening of the technical bids, the shortlisted vendors/OEMs shall be required to provide a detailed demonstration and/or presentation of the proposed products before the Committee, as and when notified.

Bidder's Note

Bidders are requested to take due note of the above clarifications while preparing and submitting their bids. This corrigendum shall form an integral part of the tender document.
