

Vikramjeet Singh

Senior President and Chief of Human Resources, ILM, and Administration, Bajaj Allianz General Insurance

Vikramjeet Singh is the Senior President and Chief of Human Resources, ILM, and Administration at Bajaj Allianz General Insurance. With about two and half decades of leadership experience across reputed organisations like Bajaj Allianz General Insurance, Deutsche Bank, L&T, and Vodafone, he brings a future focused, strategic outlook to people, processes, and performance.

For nearly a decade at Bajaj Allianz, Vikramjeet has been the architect of enterprise-wide transformations that align people strategy with business goals, driven by a strong belief in technology-enabled, human-centered change. His ability to shape culture and build future-ready capabilities has been instrumental in enhancing business resilience and agility.

In his broader remit, Vikramjeet plays a pivotal role in strengthening the organization's operational and ethical backbone. His oversight spans critical areas such as operational fraud investigations and risk mitigation, where he has strengthened frameworks for early fraud detection, case management, field investigations, and risk containment, ensuring timely interventions that protect the firm's interests while upholding ethical standards. He has also lead enterprise administration with a strategic focus on infrastructure, safety, governance, and service delivery. Under his stewardship, administrative functions have been transformed into key enablers of business continuity and operational excellence.

Vikramjeet's integrated approach to leadership has earned wide recognition through prestigious awards across India, APAC, and globally, affirming his impact as a visionary leader driving sustainable business outcomes.
